

<CONTENTS> RESEARCH IN EXERCISE EPIDEMIOLOGY VOL.10

Preface

Shigeru Inoue

(Department of Preventive Medicine and Public Health, Tokyo Medical University)

Original

Postural Control of the CVA Patients Against Perturbation During Walking 1

Misono Sakai, et al.

(Graduate School of Medical Science, Kitasato University)

News Item

In Memory of Professor Ralph S. Paffenbarger, Jr. M.D. 9

Teruichi Shimomitsu

(Department of Preventive Medicine and Public Health, Tokyo Medical University)

The 10th annual conference of the Japanese Association of Exercise Epidemiology

【Welcome Lecture】 About the Seminar of Exercise Epidemiology 14

Takashi Arao

(Division of Exercise Epidemiology, Department of Sports Sciences, Waseda University)

【Symposium: What is Required for Health-related Exercise Professionals?

— the Role of the Exercise Epidemiology Seminar —

What is Required for Health-related Exercise Professionals?

— the Role of the Exercise Epidemiology Seminar — 16

Yoshinori Kitabatake

(Physical Fitness Research Institute Meiji Yasuda Life Foundation of Health and Welfare)

Shigeru Inoue

(Department of Preventive Medicine and Public Health, Tokyo Medical University)

A Field of Physical Education and Health Promotion 17

Yumiko Hagi

(National Institute of Fitness & Sports in Kanoya)

Demand from the Health Care Science to the JAEE Seminar 18

Hiroshi Kohno

(Toyo University)

Participation in the Exercise Epidemiology Seminar — Practical Use in the Physical Therapy Field — 20

Rei Ono

(Kobe University School of Medicine, Faculty of Health Sciences)

What is Necessary in Exercise Epidemiology for Community Health? 21

Akio Kubota

(Shizuoka Health Institute)

【Special Lecture】 Physical Activity and Fitness Program on Work-site and Osaka Health Survey 23
Kunio Okada
(Medical Center in Osaka Gas Co., Ltd)

**【Symposium: Prospect for the Future of the Japanese Association of Exercise Epidemiology
—Marking its 10th Anniversary—】**
A Retrospection of the Japanese Association of Exercise Epidemiology in the Past 10 Years 25
Takashi Arao
(Division of Exercise Epidemiology, Department of Sports Sciences Waseda University)

Social Role of Exercise Epidemiology 27
Teruichi Shimomitsu
(Department of Preventive Medicine and Public Health, Tokyo Medical University)

Current State of Physical Activity Epidemiology
—Development of New Methods of Evaluating Physical Activity— 28
Akiko Harada
(Graduate School of Medicine, The University of Tokyo)

Expectation for Exercise Epidemiology from Cancer Epidemiologist 30
Seichiro Yamamoto
(National Cancer Center)

Proceedings

Development and Evaluation of a Simple and Widely Applicable
Self-administered Physical Activity Questionnaire 31
Fujimi Takeda-Imai
(National Cancer Center)

Evaluation of Smoking Behavior as a Possible Inhibitory Factor for Daily Activities 32
Kenji Moriyama
(Mukogawa Women's University, School of Pharmaceutical Sciences)

Importance of Evaluation of Physical Activity in the Behavior Modification Program
for the Prevention or Improvement of Lifestyle-related Diseases in the Community 33
Makoto Kato
(Mukogawa Women's University)

Sources of Variance in Daily Physical Activity Levels as Measured by an Accelerometer 35
Akiko Harada
(Graduate School of Medicine, The University of Tokyo)

Does Shoe Fitness Influence Walking Ability and Physical Activity in the Community-dwelling Elderly? 36
Soichiro Hirata
(School of Medicine, Kobe University)

R/E/P/O/R/T

The 8th Seminar of Exercise Epidemiology 37
